ITEMS	DESCRIPTION/ACTIONS	ACTION REQUESTED OF SSC MEMBERS
		<p>Schneider - Math and Mental Health switched positions in priority. How do you break down the Mental Health services at UC?</p> <p>Paredes - Commitment to an additional counselor. Allocated 1 mental health clinician, and partially fund an additional clinician (2 days per week). For every day that we have a clinician, that means we have 5 students per day who get services for 11 weeks. Students who qualify for medicaid we also have services by individuals who come onto campus (3 individuals through School Link). Restorative Justice Practitioner. Identification of 60-70 students and being able to check-in with them, mentors for the students, etc. (It's a branch of the mental health piece even if it's not a specific mental health resource)</p> <p>Nada - Are those services only for students? Would be nice for services to be available to Staff and Parents.</p> <p>Paredes - Staff receive services through Veba and through healthcare services provided by District. Parents can check-in (informally)</p> <p>Ray - Do teachers prioritize mental health because they recognize that they cannot provide the services. Or they recognize it as need?</p> <p>Some responses: Both. Needs have increased exponentially in the last few years.</p> <p>Pham: RJP, 9th Grade team and mentorship has helped students. It creates a safe space for students, let's them know they aren't alone. And can see the difference in this year's team.</p> <p>Next meeting to propose how to spend restricted funds</p>
6. DAC and ELAC a. DAC Report b. ELAC Report	<p>Informational: Schneider, DAC Chair</p> <p>Informational: Hall; ELAC Chair</p>	<p>Wasn't able to make it to the recent meeting (Nov)</p> <p>working on getting parents, but don't have a functioning ELAC</p> <p>Move next meeting to 1/16</p>
